ENTERS A PROTEST.

Thinks Legislature Did Excellent Work For Railroads.

Mr. Editor: I wish to inform the readers of your paper that our last legislature did some very excellent work for the railroads of the state, and in so doing deprived many young people of school privileges, and those not deprived entirely are compelled to pay full local fare instead of being allowed to buy and use school tickets, as they had done.

We find that Feb. 1st all passes were done away with, and some ten scholars who had been buying school tickets for 25 cents for round trip tickets from South Vergennes to Wells River must now pay 40 per cent round trip which is the regular round trip price to go and come the same day. The railroad officials tell us, on enquiring the price of a 200 mile mileage book we are told it's 25 cents a mile, this would make the round trip fare 50 cents, or 25 cents more than the local fare.

This is on the M. & W. R. R. Now it is all right for railroads to charge 50 per cent more where there is no opposition even if it is placing our scholars where they must be deprived of an education. We have railroads on all sides of us that sell mileage for 25 cents but the M. & W. must have 25 cents per mile and our law makers help them to rob the public in this way.

Yours respectfully,
Wm. Terry.

At the City Bakery!

On oath and honor we hereby most positively declare that our Double Loaf Malt Bread, made of Pillsbury's flour and by Union bakers, is the best in the State. If you doubt our word try just one loaf and you will be convinced of its superiority to any other. You will notice also that it is white and light and yet firm.

Why is it that Mother's Bread was always good? Because it was made by hand and kneaded, and that is why ours is good. It is properly kneaded. Try one loaf, if no more. All leading grocers and butchers handle it, as follows: Merchant & Fraser, H. J. Smith, Dix & Coleman, Smith & Cumings, Tassie Brothers, John Griffin, J. D. Yandow, Aldrich, Graniteville, and Hopkins, Williamstown. Also leading restaurants and lunch rooms: Spear Brothers, Jack's Lunch Room, Miller's Baltimore Lunch Room and Graniteville Lunch Room.
